## **INSTRUCTIONS FOR COMPLETING JUROR QUESTIONNAIRE:**

Please read the following instructions carefully before answering the questions on the reverse side. Answers to the questions are designed to enable attorneys and the Court to become acquainted with the background of each juror prior to the trial and to avoid having to ask these questions of each juror at the time of examination. Please answer each question. A copy of this questionnaire will be provided to the attorneys in the cases heard this term but will not be released to anyone else.

NOTE: A copy of this form will be provided to the attorneys.

QUESTION #7: In the blank following Number of Children, enter all of your living children, whether living with you or not.

QUESTION #10: List spouse and living children only. If widowed, give late spouse's occupation and employer. Do not write the names of your children but indicate whether boy or girl.

QUESTION #12: Serious Bodily Injury means a serious injury resulting from any accident. For example: a fall that caused a broken leg; an auto accident that caused substantial injuries; an accident in the course of employment requiring loss of time from work and medical care, etc.

QUESTION #13: The answer to this question may include a divorce action, a suit for a debt, or any legal action which was, or could have been brought before a Court.

QUESTION #14: Please note the word CONVICTED in this question. A conviction can only result from a trial before a judge or jury, or a plea of guilty to a charge. An arrest is not a conviction. For the purposes of this question, a serious crime is one that resulted in imprisonment, fine, or probation in lieu of imprisonment. Do not include minor traffic offenses, but do include convictions for Driving Under the Influence of Intoxicants.

**After completing and signing the questionnaire, please return immediately. This questionnaire is due by June 15, 2011:**
