“TAKE ME HOME”

The Take Me Home program is a **FREE** service available for all residents of the City of Philomath, for **adults and children** who may have **difficulty communicating due to a developmental or cognitive disability**.

The database is maintained by the Philomath Police Department. It is only accessible to law enforcement personnel and may include a photograph, disability information, physical description and emergency contact information.

If a person in the Take Me Home program is encountered by a police officer or deputy dispatched by 911, personnel can access the database and quickly retrieve critical information that can help in communicating with the individual and a safe return to the caregiver.

Who can enroll?

Any adult OR child, who may have difficulty communicating due to a developmental or cognitive disability. These individuals tend to be at risk for wandering, and may include people with disabilities such as Alzheimer's Disease, Autism Spectrum Disorder, Dementia, Down syndrome, etc.
