

PARK ADVISORY BOARD
Minutes
May 10, 2018

Called to order at 5:00

- 1. Roll Call:** Dale Collins, Lindy Young, Spencer Irwin, Mal Miner, Izzie Elliott, Carol Leach
Staff: Chris Workman
- 2. Minutes were approved**
- 3. New business**

Update on Park Name-Chris shared all the hard copies of names submitted. Carol read the list. There was some discussion about the importance of a historic figure, discussion about names such as Kids Discovery Park, perhaps a person that had a connection to kids. Izzie will go to the Historic Society and ask for information about Flossie. Carol noted that information can be found on the internet. Next week we will vote on a name, pass the recommendation to Public Works and then City Council for final approval.

Construction

Chris reported there is a delay, underestimate of engineering time needed. Later start into project. 120 days of construction are planned. Chris will notify Mark Cohen regarding later dates, extension may be needed.

Band for Music in the Park

May 24 will be Middle School and High School

June 21- no band yet

July 19- no band yet

August 16- Swamp Grass

It was noted that we need to get going and find a band for June and July. Dale commented that if we book a band that requires a stipend, then we need to find a sponsor. Spencer Irwin has so kindly volunteered to sponsor a band. His company, AllPro Property Services (renovations and property turn over).

Dale showed us a sample banner/advertisement for Music in the Park. This will hang in the parking lot of True Value. We all agreed it looked good.

Dale will be the "Master of Ceremonies" and welcome everyone at 6:00. A jug will be passed for donations for Music in the Schools.

Park Map

Chris shared sample maps from Shelly of Chamber of Commerce. There is one particular fold out map (sample from Nevada City) that the Chamber prefers. We decided to drop our plans to make a 5x8 postcard map. At least at this time.

Dale reported that the Lions Club would like to paint the structure and top of swing set at the Triangle Lions Club Park. They would like to use Lions Club paint colors. We approved this idea.

Meeting ended at 5:55.

Next meeting 14th of June.
