PERMIT EFFECTIVE FOR 6 MONTHS FROM THE DATE OF ISSUANCE.

THIS PERMIT DOES NOT EXTEND
SPECIFIED DATE FOR SIDEWALK INSTALLATION

SANITARY SEWER INSTALLATION/REPAIR**No Fee**

The applicant/property owner is granted permission to repair a building sewer as per approved plan, state code, and city code.

NOTE: Do not cover any work until it has been inspected and approved by the City Public Works Department. Installation of a building sewer is to be done by a DEQ licensed contractor or by the owner at the owner's residence.

STORM DRAIN INSTALLATION/REPAIR**No Fee**

The applicant must submit 2 copies of proposed installation/repair for review and approval by Public Works Director prior to permit issuance. Permit grants applicant/property owner permission to install or repair a storm drain line and/or connection as per approved plan, state code, and city code.

NOTE: Do not cover any work until it has been inspected and approved by the City Public Works Department. Installation of a storm drain line and/or connection is to be done by a DEQ licensed contractor or by the owner at the owner's residence.

SIDEWALK INSTALLATION AND REPAIR**No Fee**

The Applicant / Owner is hereby granted permission to construct or repair sidewalks and/or make pavement and/or curb cuts as per approved plan, state code, and city ordinance.

THIS PERMIT DOES NOT EXTEND
SPECIFIED DATE FOR SIDEWALK INSTALLATION

STREET PAVEMENT/CURB CUTS**No Fee**

The Applicant / Owner is hereby granted permission to construct or repair sidewalks and/or make pavement and/or curb cuts as per approved plan, state code, and city ordinance.

NOTE: Call the Philomath Public Works Department at (541) 929-3579 for an inspection required prior to pouring concrete.

NOTE: All work performed in the public right-of-way requires the proper insurance, license, and bonding. Call the Public Works Department for details at (541) 929-3579.
