CITY OF PHILOMATH

Permit #: _____

TYPE A PERMIT

PERMIT APPLICATION FOR WORK IN RIGHT-OF-WAY

Street pavement/curb cuts, Sidewalk installation/repair,
Storm installation/repair, Sanitary sewer installation/repair.

SANITARY SEWER INSTALLATION/REPAIR

No Fee

The applicant/property owner is granted permission to repair a building sewer as per approved plan, state code, and city code.

NOTE: Do not cover any work until it has been inspected and approved by the City Public Works Department. Installation of a building sewer is to be done by a DEQ licensed contractor or by the owner at the owner's residence.

STORM DRAIN INSTALLATION/REPAIR

No Fee

The applicant must submit 2 (two) copies of proposed installation/repair for review and approval by the Public Works Director prior to permit issuance. Permit grants applicant/property owner permission to install or repair a storm drain line and/or connection as per approved plan, state code, and city code.

NOTE: Do not cover any work until it has been inspected and approved by the City Public Works Department. Installation of a storm drain line and/or connection is to be done by a DEQ licensed contractor or by the owner at the owner's residence.

SIDEWALK INSTALLATION AND REPAIR

No Fee

The Applicant/Owner is hereby granted permission to construct or repair sidewalks and/or make pavement and/or curb cuts as per approved plan, state code, and city ordinance.

PERMIT DOES NOT EXTEND BEYOND THE SPECIFIED DATE FOR SIDEWALK INSTALLATION.

STREET PAVEMENT/CURB CUTS

No Fee

The Applicant/Owner is hereby granted permission to construct or repair sidewalks and/or make pavement and/or curb cuts as per approved plan, state code, and city ordinance.

NOTE: Call the Public Works Dept at (541) 929-3579 for a required inspection PRIOR to pouring concrete.
